Protested June 15, 1955 by Dan Filippini.		
Protest overruled 9/30/55 APPROVAL OF STATE ENGINEER See ruling 217		
	1	
This is to certify that I have examined the foregoing applicat	ion,	<u> </u>
and do hereby grant the same, subject to the following limitations a	161	
conditions: This permit is issued subject to all existing rights o	h +h ~	
source and is limited to what the well will produce but not to exc	eled	
3.5 c.f.s. It is understood that this right must allow for a reas	on-	
able lowering of the static water level at permittees well due to ground water development in the area. A substantial weir or other	other	
of measuring device must be installed and measurements of water us	= HATre	
Kept, and a method provided, either air line or opening, for measu	rlino l	
depth to water. The State retains the right to regulate the use o water herein granted at any and all times.	t the	
The amount of water to be appropriated shall be limited to the amount	1	
which can be applied to beneficial use, and not to exceed 3.5		
cubic feet per second, and not to exceed a yearly duty of 4 acre-fe	et pe	r
Actual construction work shall begin on or before April 19, 1956		1
Proof of commencement of work shall be filed before May 19, 1956	1	
Work must be prosecuted with reasonable diligence and be completed o		
	101.	1
before April 19, 1957		
The state of the s		
Proof of completion of work shall be filed before May 19, 1957		
Application of water to beneficial use shall be made on or before	103	14
April 19, 1959 . Proof of the application of water to benefi	cial	
use must be filed with State Engineer on or before May 19, 1959
